

**Mission Statement 2022**  
**Scholars Home All India Sr Sec School, Dehra Dun,**  
**Uttarakhand**

At Scholars Home All India Sr Sec School, Dehra Dun, Uttarakhand, the Mission 2022 purports to further the government initiative to mould the child into a gainfully contributing member of the digitised global society by helping him/her imbibe the entrepreneurial skills to provide impetus to innovation – the bed rock of quality life in the future:

- 1) To put in place result oriented measures to improve child's performance in the 3R's and science by promoting Peer Learning and forming Reading Clubs to ensure Minimum Levels of Learning; Chalk and Talk approach to replace by learning resources in the form of class library.
- 2) Re-inventing classroom teaching approach by promoting Team Teaching.
- 3) Integrating Curricular and Co - curricular Activities to reinforce the Course Content.
- 4) Hiring more qualified, experienced and tech savvy staff to bring down the student teacher ratio in a phased manner.
- 5) Upgrading staff skills through Capacity Building Programmes – to bring in the world proven Pedagogical Practices.
- 6) To incorporate newly identified parameters in the Progress Card so that it may reflect holistic progress of the child.
- 7) Introducing/Upgrading bespoke software for different aspects of school education; this will also bring in paper less culture.
- 8) Stressing Moral and Ethical aspects of Education to bring down growing disenchantment among school children and help build National Character.
- 9) Widening the reach of Quality School Education – including less and under privileged, and identifying the prospective beneficiaries.
- 10) A sincere implementation of Physical Education Programmes to augment wholesome development of children; provision of Adapted Physical Education Programmes for special children.
- 11) So that students may relate to various theoretical concepts in concepts in the curriculum, school plans to make use of locally available resources – local monuments, museums, natural resources etc. to enrich the content of various subjects with local, practical and appropriate examples; the practice of inviting local entrepreneurs, literateurs etc to enrich and enhance the understanding of the course content would be continued.
